UK Aquatic Therapy Conference Wave of Research Leading the Way Forward

Celebrating the ATACP 30th Anniversary

31st August and 1st September 2019

Mercure Burford Bridge Hotel

Dorking

Surrey

RH5 6BX

Conference Synopsis

Wave of Research Leading the Way Forward is a two day conference with national and international speakers providing the most current aquatic therapy research evidence to direct our clinical practice. Confirmed international renowned speakers include; Dr Bruce Becker (USA), Sophie Heywood (Australia), Ben Waller (Finland) and Louise Carroll (Ireland).

Topics will include physiology of immersion related to the brain and vascular system, exercise prescription for type of strengthening and body tissue, and aquatic exercise for Parkinson's disease along with more to be confirmed.

It will be the ATACP's 30th anniversary celebration. To celebrate the conference will be held at a hotel with a heated outdoor pool. There will be practical aquatic therapy demonstrations in the heated pool both days – please don't worry we have considered the British weather reliability! On the Saturday 31st August evening there will be a gala dinner and we hope you can join us in the celebration.

The Venue

The Burford Bridge Hotel is nestled at the foot of the picturesque Box Hill, and offers a stunning backdrop to any event.
